

YORKLION

2026 Indigo Grove V **NON-WOVEN / WOOD VENEER WALLPAPER**

RESIDENCE | COMMERCIAL | RETAIL

VILLA LANTE CATALOG

"Indigo Grove V" takes indigo as its soul, merging the order of modern plaids, the romance of intricate blooms, the restraint of solid textures, and the warmth of wood grains into one volume. Colors are understated and serene, never competing, yet revealing a luxurious depth in their quietness. Every plaid is a rational rhythm, every petal a whisper of nature, every wood grain a mark of time.

From the crisp cut of geometry to the free stretch of florals, from the negative-space poetry of solids to the natural veins of wood—this collection builds a serene yet rich aesthetic foundation for any space with its diverse design language. It does not shout, yet holds the gaze; it does not flaunt, yet carries the taste that deepens with time.

"Indigo Grove V" is dedicated to those who know how to feel abundance in silence—letting the wall become a livable painting, immersing daily life in understated yet enduring luxury.
