

2026 Sunset Garden VII NON-WOVEN WALLPAPER

RESIDENCE I COMMERCIAL I RETAIL

VILLA LANTE CATALOG

As the last rays of twilight brush against classical colonnades, 2026 Sunset Garden VII unfurls in quiet splendor. This is a gentle dialogue between time and aesthetics—a fusion of European classical grandeur with the poetic flow of Paisley, redefining light-luxury retro through a lens of desaturated dusk.

This season's collection is an exercise in restrained exuberance. Opulent European florals intertwine with meandering Paisley motifs, yet they never clamor for attention. They are veiled in a mist of creamy and Morandi-inspired hues—dusty rose, hazy blue, oatmeal grey, sage green. The colors are romantically intense in form, yet serenely understated in spirit, capturing that eternal golden stillness just before the sun descends.

Meanwhile, the gentle warmth of modern wood grain textures and the subtle tactility of solid artisanal surfaces lay a breathable foundation. Botanical geometric repeats quietly introduce the rational core of modern minimalism. Everything finds its order, and within that order, everything finds its freedom.
